Home Automation

HZS Series

Z-Wave Home Automation Device

1. Introduction

Thanks for choosing PLANET's Z-Wave™ home automation device. PLANET HZS Series is a Z-Wave™ enabled device that adopts the two-way RF mesh network technology and thus, it is fully compatible with any Z-Wave™ enabled network and its security framework. Every mains powered Z-Wave™ enabled device acts as a signal repeater and multiple devices result in more possible transmission routes which help eliminate "RF dead spots".

PLANET HZS Series include:

The **HZS-100** monitors movement and sends Z-Wave™ signal when movement is detected inside the building. With temperature sensor built inside, it will send the signal out when temperature changes.

The **HZS-200** is designed to sense smoke that comes into the detector chamber. When the detector detects a certain density of smoke, the smoke detector will sound.

The **HZS-300** sends Z-Wave™ signal when a door or window is opened and closed, or humidity, temperature and luminosity change.

The **HZS-531A-US/HZS-532E-DE** will send On/Off signal to the appliance that is attached to this module by receiving Z-Wave™ signal from controller or manual switch.

When these devices are secure and included into the Z-Wave™ network, the above communication will be encrypted.

2. Verify the Contents Inside the Package Box

The package should contain the following items. If any item is missing or damaged, please contact the seller immediately.

Model	Package Contents
HZS-100	PIR Sensor x 1 CR123A Lithium Battery x 1 Accessory Bag (including two screws, an adhesive tape and a bracket) Quick Installation Guide x 1
HZS-200	Smoke Detector x 1 CR123A Lithium Battery x 1 Bracket Holder x 1 Screw Kit x 1 (including two screws and two plastic anchors) Quick Installation Guide x 1
HZS-300	4-in-1 Sensor x 1 AAA Battery x 2 Accessory Bag (including two screws, an adhesive tape for magnet, an adhesive tape for sensor, a magnet and a bracket for magnet) Quick Installation Guide x 1
HZS-531A-US/ HZS-532E-DE	US-type / EU-type Energy Meter x 1 Quick Installation Guide x 1

3. Document and Customer Support

You can browse our User's Manual on PLANET Web site first to check if it could solve your issue. If you need more support information, please contact PLANET Home Automation support team.
